## ECOLOGIC

Environmentally friendly, economical, and compact. Perfect for any location, indoor or outdoor, the Fantastic ECO is usable in nearly any environment.

## INDEPENDENT

Anywhere and anytime, because being tied down is a thing of the past. The Fantastic ECO can be set up easily, anywhere in the world - it needs no electrical power at all.

## HYGENIC

The quick and simple cleaning of all parts that come into contact with the orange assures the highest level of hygiene.

## COMPACT

Small but powerful. The Fantastic ECO brings together all of the design and quality features of the Fantastic family with a high-grade manual gearbox. So small, so powerful - so fantastic!
