

BEYOND LIMITS

xPRO POM

30x  = 2,0 l/min 

The CITROCASA xPRO POM elevates your juicing experience. Moreover, the new redesigned pressing elements paired with the Cross Holder system, and an improved ATS guarantees the purest pomegranate juice!

One fits all

The new CITROCASA xPRO POM juices pomegranates with a diameter of up to 95 mm.

Screwless assembling

The cross holder can be opened in a single step thanks to a new locking mechanism, and the optimized pressing elements require fewer individual parts.

Quality and Premium design

A new larger video touchscreen featuring a responsive motion sensor. Elevate personalization with the option to customize the back cover design, while meticulous attention to numerous other details ensures a user experience that surpasses expectations.

True innovation

High-quality material, double cover, SCS, auto-stop, connectivity with CitroCasa Cloud, as always, the best combination for first-class juicing performance.
